

GUARDIAN OF AN HERITAGE

---

**WE MAKE WINES FROM**  
*Centenary Vineyards*

---

Vineyards with the heritage and experience from the Old World, with the strength of having survived storms and pests and with the wise adaptability of making the New World a place where to flourish.

We will never know more than our vineyards, but thanks to them we will keep producing better wines

## OUR PILLARS FOR *Outstanding Wines*

### 1. Old Malbec vineyards

- In the best appellations/terroirs
- Ungrafted and pre-phyllloxeric plants
- Fincas Vineyards of +90 years average age

### 2. Low Natural Yields

- 2.500 kg/ha = 15HL/ha
- Allow earlier harvest implying better balance between ripeness/natural acidity.

### 3. Low Winemaking intervention

- No cold soaks, no enzymes, no finning, no added sugar, no acid corrections and short macerations.

## OUR *Vineyards*

# FINCA ALTAMIRA

*La Consulta. Uco Valley.*

*1050* METERS  
A.S.L.

*Alluvional soil*  
Volcanic ashes round rocks.

*Planted in*

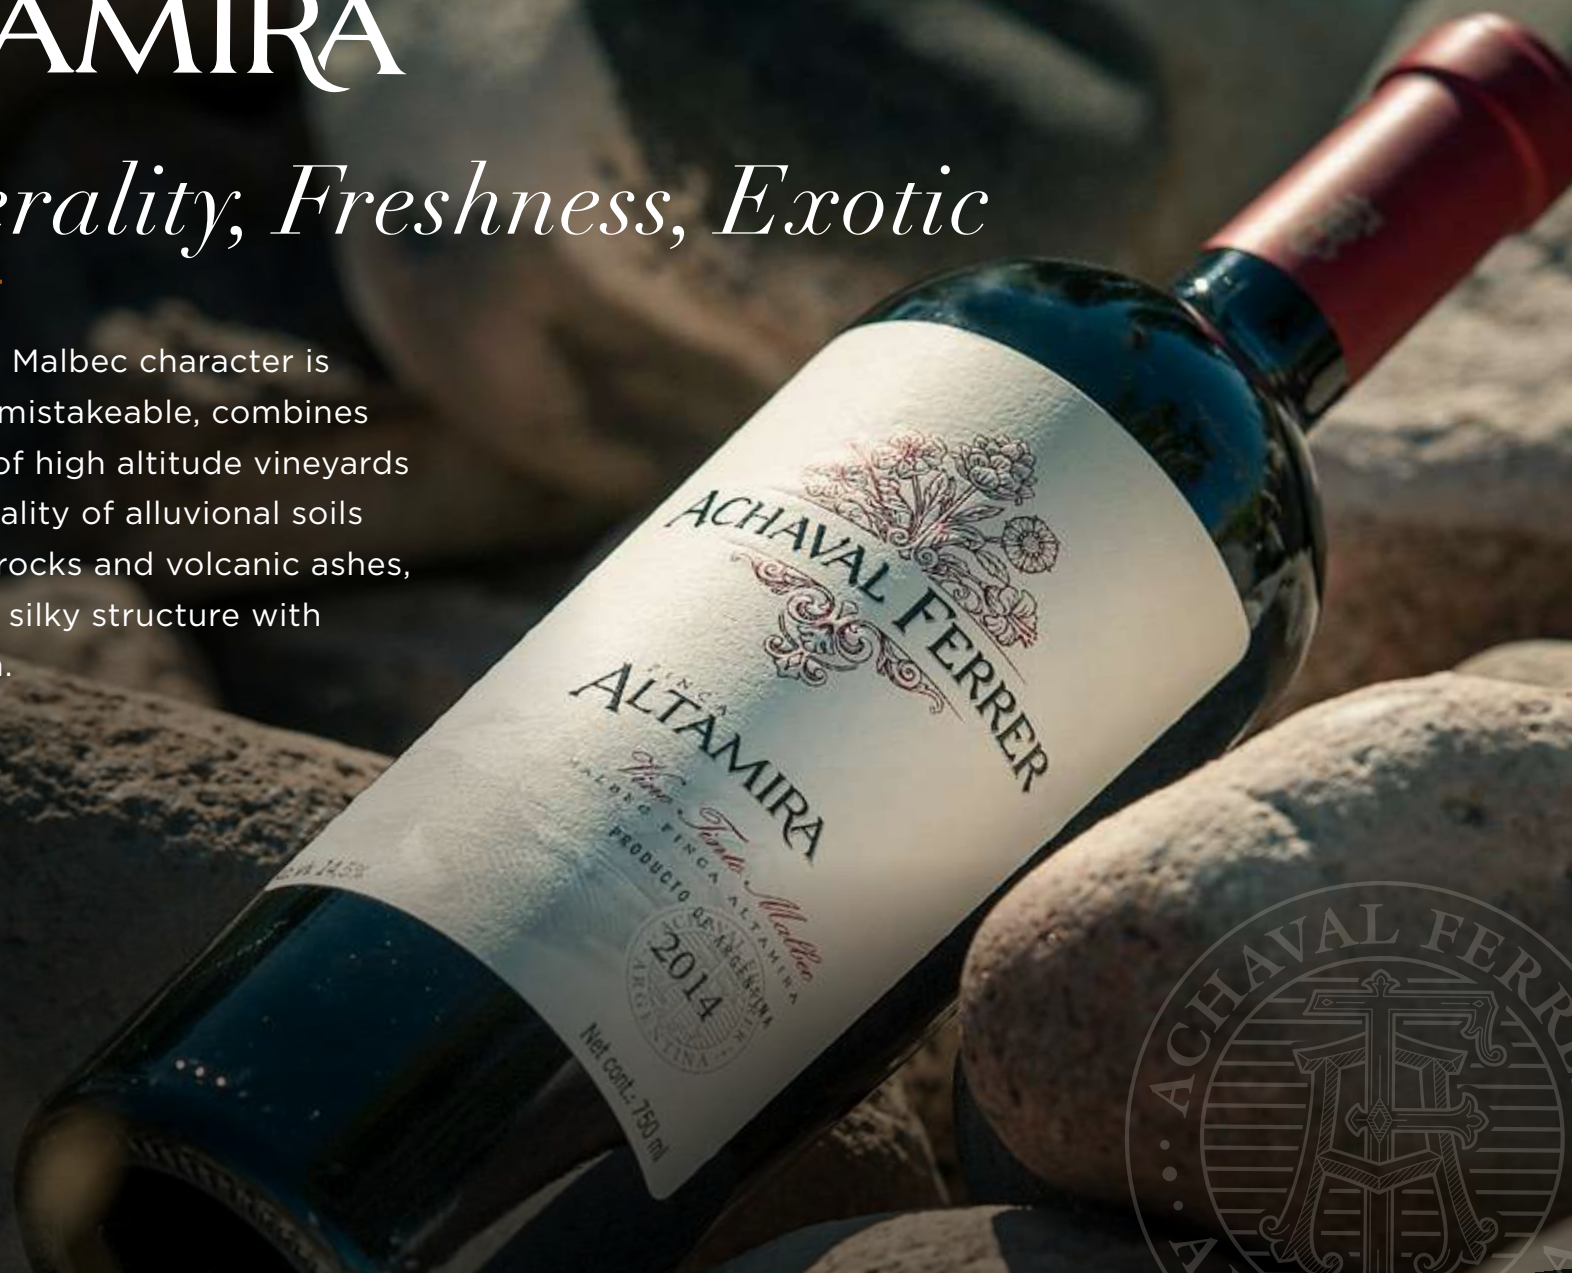

*1950*

# FINCA ALTAMIRA

*Minerality, Freshness, Exotic*

Finca Altamira Malbec character is unique and unmistakable, combines the freshness of high altitude vineyards with the minerality of alluvional soils full of eroded rocks and volcanic ashes, all packed in a silky structure with lingering finish.

# FINCA BELLA VISTA

*Perdriel, Luján de Cuyo.*

*990* METERS  
A.S.L.

*Alluvional soil*

Clay top soil bed of eroded rocks

*Planted in*

*1910*

# FINCA BELLA VISTA

*Classic, Floral, Elegant*

Finca Bella Vista is the most elegant expression you may expect from a Malbec. A centennial vineyard, planted in a thin clay top soil over a bed of rocks, and marked thermal amplitude, gives birth to a floral scented Malbec with velvety tannins and stylish finish.

# FINCA MIRADOR

*Medrano, Junín.*

700 METERS  
A.S.L.

*Deep sandy soils*

*Planted in*

1921

A bottle of Achaaval Ferrer Finca Mirador wine is shown lying on its side on a surface of cracked, dry earth. The bottle is dark glass, and the label is white with red and black text and decorative elements. The background is a close-up of the cracked soil, creating a textured, organic feel.

# FINCA MIRADOR

## *Ripness, Structure, Power*

Finca Mirador is the ultimate expression of a fully ripped Malbec. Always monolitical and austere, with a core of black fruit and spices, this wine will open in multilayers of flavours as time passes by.

## HEAD WINEMAKER

*Gustavo Rearte*

---

Born and raised in Mendoza he studied Enology at Juan Agustin Maza University.

After winemaking experiences in Napa Valley and New Zealand, Gustavo joined Achaval Ferrer in 2013 as second winemaker.

Since 2017 he stepped up as Head Winemaker

In 2019 he was chosen Argentine young winemaker of the year by Vinomanos (Argentina's most relevant wine publication)
